

THE KRUPOWICZ PLANETARIUM IN
GAUDET MIDDLE SCHOOL IS PLEASED TO PRESENT

Family Fun Nights 2010

*Family nights at the Krupowicz Planetarium
recognized by RI Monthly as the
Best After-Dark Kids' Activity in 2008!*

Featuring the Spitz SciDome!

Take a trip to the stars! Explore the cosmos and unravel the mysteries of the universe with a different theme each month. A variety of family fun activity stations available 30 minutes prior to the start of the planetarium show!

★ **Tuesday, April 6, 7:00pm**

What is in the sky tonight? Oasis in Space Full Dome Show

Oasis In Space transports the audience on a startling and beautiful voyage through our universe in search of liquid water - a key ingredient for life on Earth.

★ **Tuesday, May 11, 7:00pm**

What is in the sky tonight? Today's Starry Messengers

Ready to Observe? Discover what telescopes have revealed about the universe and learn how to use one from your own back yard

★ **Tuesday, June 8, 7:00pm**

What is in the sky tonight? To the Moon and Beyond

Take a trip to the stars! Experience the recreation of the night sky and all of its glory as you discover the constellations visible in the skies.

★ **Tuesday, July 13, 7:00pm**

What is in the sky tonight? Cosmic Collisions

Take a thrilling trip through space and time—well beyond the calm face of the night sky—to explore cosmic collisions, hypersonic impacts that drive the dynamic and continuing evolution of the universe.

Doors open at 6:30pm.

Price: \$3.00 per person/\$2.00 children under 8 (no one under age 4)

No reservations – first come, first served!!! Seating Capacity – 60 people
