

## Extended Learning Opportunities Program Teacher Response Form

### Program Description

Dear Teachers:

The planning process for this year's **Extended Learning Opportunities Program** for the Summer of 2010 is well underway. We hope that you are interested in participating in this program this year to support the academic needs of our students. All programming will be conducted in the air conditioned atmosphere of the Gaudet Middle School.

The K-8 summer session will begin on July 6<sup>th</sup> and will run through to July 29<sup>th</sup>, from 8am to 11am from Monday through Thursday (with the exception of the first week of programming which will run from Tuesday to Friday). The High School (exiting grades 9-11) program will run in two 3-week sessions beginning on July 6<sup>th</sup> and will run through to August 12<sup>th</sup>.

You will notice a new addition to the Middletown High School Summer School line up this year. In addition to the credit recovery programming offered to students in ELA and Math, we are seeking teachers who are interested in teaching (.5) elective courses already offered in our current Program of Studies. These *Credit Acquisition Courses* are held for the entire 6 week period from 6pm to 9pm at the Gaudet School.

Fill out the form below to express your interest in participating in this program and return it by interoffice mail to Carmela Geer at Gaudet Middle School or by e-mail to [cgeer@mpsri.net](mailto:cgeer@mpsri.net) no later than the close of school, Friday, April 9, 2010. We are looking forward to a great summer experience and we hope you can join us!
